

SEASONS
Rotating Art Exhibit

Dear Member,

The Rotating Art Exhibit is a BVAS pARTnership with the City of Burnsville to help promote the visual art and artist in the community. As a BVAS member, you are invited to participate in 4 family-friendly 2-D art shows each year to welcome each season with a new exhibition every few months.

All the art will be displayed in the conference rooms at Burnsville City Hall along with artist name, title, medium, price or NFS and contact information.

These juried exhibitions offer the opportunities for all members to show, sell and gain community exposure. Each exhibit will have an informal opening from 5:00 p.m. – 7 p.m. to welcome our awfully pretty seasons, introduce and gather artist, and to engage the community.

These exhibitions are open to interpretation. Considered SEASONS not just weather patterns; it represents more than temperatures and colors nonetheless, it's up to each artist to create or share 2 pieces that you feel corresponds in any way.
