It is said, " Art imitates nature." At Caponi Art Park nature IS the Art. Enjoy and be inspired by 60 rolling acres molded into sculpture by the Macalester professor and artist Anthony Caponi. We will have a tour of the outdoor sculptures by Cheryl Caponi and have access to the grounds for whatever art you are inspired to do.

BVAS will be serving hot drinks. Rainy day reschedule is Sunday, October 28, 2018.

9:00 AM - Gates are open. You are free to explore on your own and find a good spot to *plein air* paint, sketch, take photographs.
