

Dear Artists,

During 2018 BVAS made several efforts to provide more opportunities and help promote the visual arts and artists in the community. We are making some changes to our newest experiment, Rotating Art Exhibit at the Burnsville City Hall in hopes to increase participation.

1. New participants a \$10.00 per event to help cover the ongoing cost.
2. All past and current participants can exhibit in the next two shows at no extra cost.
3. Less emphasis on the theme although we can certainly keep that in mind. Artworks that have nothing to do with those themes are welcome.
4. Please adhere to criteria guidelines.

With that in mind, please consider this opportunity and mail your application to BVAS PO Box 3171 Burnsville, MN 55337. We look forward to hanging your artworks for the Spring and Summer 2019 Rotating Art Exhibit.

Next drop off is scheduled for **February 1, 2019.**
